GENERAL PRICE LIST

These prices are effective as of December 31, 2007, but thereafter subject to change without notice.

This General Price List is provided in compliance with Federal Trade Commission regulations governing funeral homes. Please review it and retain it for your records.

As funeral directors, we have always believed that the most informed decisions about funeral services and fees are the best decisions. To the extent that this price list informs your decisions, we heartily approve. We are also uniquely aware that for many families, the decisions made about funeral costs are made at a difficult and confusing time. In so far as this list may add to your confusion, we apologize.

We appreciate the trust you have placed in us and hope that this list assists you in making your decisions. We recognize that for some families funeral expenses can be overly burdensome. Please feel free to discuss this with us in confidence. We have never refused to serve anyone for financial reasons.
